Business *Can* be simple

eCopy® PDF Pro Office

The Smarter PDF Desktop Software Companion to Multi-function Printers

eCopy® PDF Pro Office, the latest enterprise-ready PDF solution from Nuance, is the smarter PDF desktop software companion to MFPs. It's a powerful, easy-to-use PDF solution that lets you create, convert, and collaborate like never before for dramatic productivity gains and cost savings. What's more, eCopy PDF Pro Office is available at one-third the price of products with comparable capabilities, so you get exceptional value without compromise.

UNCOMPROMISING VALUE

There are many competitively-priced software companion products to MFPs that can create PDF. There are some that can create imposition files for production print jobs. And a few can even automatically redact scanned documents. But only eCopy PDF Pro Office from Nuance enables professionals to perform all these tasks — and more — using a single, lightweight software package. eCopy PDF Pro Office enables business and legal professionals to:

- Create, edit, and mark up industry- standard PDF files
- Convert PDF to and from Office formats
- Redact and highlight automatically with Advanced Search
- Sign documents electronically
- Compare document versions automatically
- Convert and create forms
- Connect with popular Enterprise Content Management solutions
- ...and much more!

Plus, eCopy PDF Pro Office is the only PDF desktop software solution that's integrated with eCopy ShareScan® — the leading MFP scanning and OCR solution — to deliver the most streamlined experience when scanning from a networked MFP to your desktop.

GET A COMPLETE PDF SOLUTION FOR EVERY DESKTOP

Designed specifically for the business user, eCopy PDF Pro Office is the most complete desktop PDF solution available today — whether it's used as a companion to eCopy ShareScan® or as a powerful, stand-alone PDF software tool. Intelligent and easy to use, eCopy PDF Pro Office puts advanced PDF, forms, and mark-up capabilities just a click away. Instantly create 100% industry-standard, universally viewable PDF files — including all PDF and PDF/A versions — from any PC application. Or convert to PDF from within Microsoft® Office documents or create PDF files of any document with a single click while browsing with Windows®. Support for Windows 7 Jump Lists provides quick access to recent files and common PDF creation and conversion tasks.

Improved - A Complete Editing Solution

Editing: The ability to alter text and graphics directly within a PDF file.

eCopy PDF Pro Office provides the most accurate conversion of PDF files into editable, searchable XPS, Corel® WordPerfect® and Microsoft® Word, Excel® or PowerPoint® documents — complete with fully-formatted text, columns, tables, and graphics. It even lets you combine all pages of a PDF document into a single Excel worksheet.

With eCopy PDF Pro, you can combine files and remove or replace pages with drag-and-drop ease. And you can view and select pages from a source document — Word, Excel, PowerPoint, WordPerfect, XPS, JPG, BMP, or TIF — to insert into a target document for fast, simple document assembly.

Fill and save PDF forms

Use FormTyper™ to convert static forms into fillable PDF forms that you can complete, save and email.

Scan directly to PDF

Get one-click scanning to PDF by pre-setting your scanner preferences. Scan and highlight, cross-out, underline, or redact — all in a single step.

Manage multi-layer graphics

View, select, merge, and flatten layers created by programs like AutoCAD® and Microsoft Visio®.

Bring multimedia to PDF

Embed Adobe® Flash® and Microsoft® Silverlight® into PDF files to create attention-grabbing multimedia documents — quickly and easily.

Protect sensitive documents

Control viewing, printing and modifications by adding passwords with secure encryption and permission controls to PDF documents. Or flatten everything in a document to protect sensitive information during file sharing or archival.
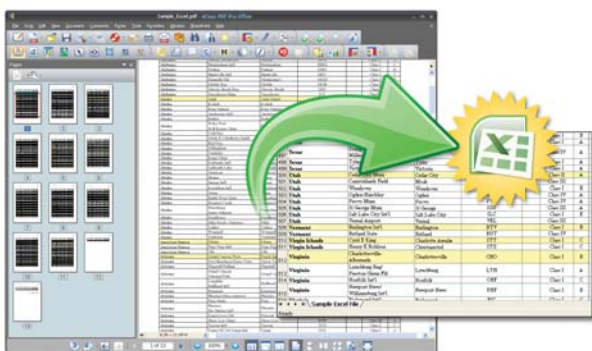

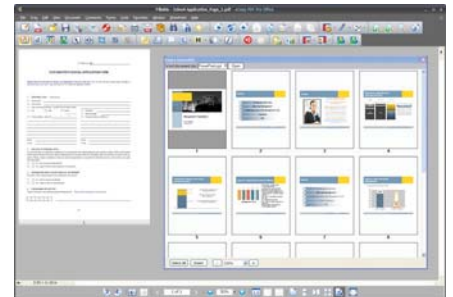

Meet accessibility standards

Automatically tag PDF files to ensure document compliance with Section 508 and other accessibility standards.

Connect to document management systems

Connect seamlessly to Microsoft® SharePoint® Services v3, Servers 2003, 2007, 2010; Autonomy iManage WorkSite 8.3,8.5; OpenText DocsOpen 4, Connectivity Solutions (eDocs/Hummingbird) 6, 5.2 LiveLink 9.7; and LexisNexis CaseMap 8.5 for enterprise-wide document management from each user's desktop.

New - Smarter Conversion

Automatically converting documents to save you significant time and effort.

### Improved – Document Assembly with page Preview

Quickly create new PDF files from multiple documents.

Users across the enterprise can collaborate more effectively with annotation tools that let you add notes, stamps, call-outs ,and more to PDF documents. Plus, it's easy to view, organize, prioritize and update comments using the convenient Comment Panel.

PRODUCE IMPRESSIVE DOCUMENTS THAT MEAN BUSINESS

eCopy PDF Pro Office enables you to deliver documents that look as good in print as they do on the screen — no matter where you send them. Combine any type of file and/or folder into striking PDF Portfolios that are viewable with any popular PDF reader. Add attractive, interactive cover pages that guide the audience. Even include photos, graphics, movies, audio, or 3D drawings to convey messages with attention-grabbing style!

New – A Smarter Way to Manage Graphics

See everything clearly for perfect document presentation.

## RAPID ENTERPRISE DEPLOYMENT FOR LOW COST OF OWNERSHIP

eCopy PDF Pro Office is fast and easy to install, too. You can conveniently service all enterprise users with network push install and software access options through virtualized software environments.

Nuance® eCopy®
ShareScan® Elements

Secure, Cost-Effective Document Scanning and OCR for the Entire Enterprise

A simple interface enables users to quickly scan and send documents to their destination—right from the copier.

Touch screen user interface varies by device.

eCopy® ShareScan Elements is the cost-effective solution for mid-sized and large enterprises that want to deploy the most commonly used scanning and OCR functions across its fleet of copiers: secure scan-to-mail, scan-to-PC desktop, scan-to-file, and conversion to searchable and ultra-compressed PDF. Built on a highly scalable, open, modular, device-independent, client-server platform, ShareScan Elements delivers enterprise- grade performance and high ROI.

FEATURES AND BENEFITS

**• The Best MFP Scanning and OCR Experience for Users**

Our best-in-class UI eliminates training, ensures rapid adoption, delivering the fastest ROI.

• Superior Usability

From single sign-on and one-button OCR and routing, to scrolling/fly-out menus and fast access to personal favorites, ShareScan Elements is the easy answer for enterprise-wide scanning and document conversion.

• Strong Security and Seamless Active Directory Integration

ShareScan Elements integrates directly with Active Directory and your system user security credentials. It also can encrypt documents for greater security over public networks.

Connect your MFP or copier to your organization's e-mail for easy to use, secure distribution of paper-based information.
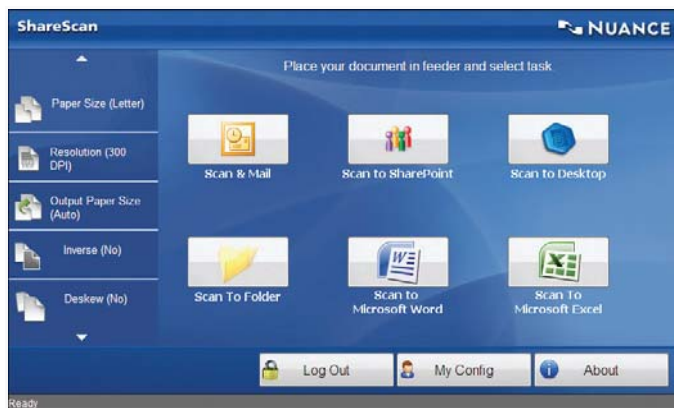

Nuance® eCopy® ShareScan® Office

Document scanning and OCR to boost the productivity of document-intensive offices

eCopy® ShareScan Office is the preferred MFP scanning and OCR solution to integrate paper documents into electronic office workflows. ShareScan Office captures paper-based information and brings it directly into Microsoft Office, eliminating the need to rekey, distribute, or archive paper. Built on a highly scalable, open, modular, device-independent, client-server platform, ShareScan Office delivers enterprise-grade performance and high ROI.

A simple interface enables users to quickly scan and send documents to their destination— right from the copier.

Touch screen user interface may vary by device.

ShareScan brings your e-mail client to the copier, delivering a familiar, interactive e-mail experience—access Global & personal address books and manage settings just as you would at your desk.

FEATURES AND BENEFITS

- **The Best MFP Scanning and OCR Solution for Productivity**
  Our best-in-class UI eliminates training, ensures rapid adoption, and generates the fastest ROI.

- **Automatically Convert Hardcopy Originals into Accurate, Formatted, Editable Softcopy**
  Scan, convert, and edit Microsoft Word, Excel, and PDF files—including columns, graphics, and tables. You save time and money, with high accuracy and less reformatting.

The Premier Scanning and OCR Solution to Automate Document and Forms-Processing Workflows – Right from the Office Copier

A familiar, intuitive interface makes it easy to quickly send scanned documents to their destination – right from the copier.

eCopy® ShareScan Suite securely puts paper-based data directly into electronic workflows. Starting right at the copier, you can scan, extract, classify, index and convert paper information into digital information that flows effortlessly into and through the electronic channels of your business. The result: piles of paper get smaller and business moves faster.

Touch screen user interface varies by device.

DEVICE COMPATIBILITY

ShareScan Suite is available on popular MFPs and scanners and includes server software for document processing and integration to back-end networks and systems. For the latest supported platforms for ShareScan Suite, please visit:
http://www.nuance.com/support/ecopy/supported-devices/index.htm

MFP CONFIGURATIONS

• A software client for select MFPs enables eCopy ShareScan to be accessed from the MFP's touch screen, and server software.
• eCopy ScanStation*

SCANNER CONFIGURATIONS

• eCopy ScanStation*
• ShareScan Suite software only

* Includes a freestanding touch screen and keyboard that easily connects to any scan-enabled MFP or ISIS-driven scanner, as well as select TWAIN scanners. Nuance eCopy ScanStation includes all the hardware and software required to run Nuance eCopy ShareScan Suite.
# Requires add-on Forms Processing Extender

FEATURES AND BENEFITS

• **Process Forms Faster**
With zonal OCR#, you can home-in on precise, pre-defined fields, extract data, and pass it to back-end applications.

• **Automatic Redaction and Highlighting**
From single sign-on and one-button OCR and routing, to scrolling/fly-out menus and fast access to personal favorites, ShareScan Elements is the easy answer for enterprise-wide scanning and document conversion.

eCopy® ShareScan® Suite

Automate paper-to-digital workflows and put information into the systems that run your business

FEATURES AND BENEFITS

- **Streamlined Archival with Flexible ECM Options**
  eCopy ShareScan Suite provides complete integration to content management, network folders, SQL databases, and more. Connect with leading ECMs such as SharePoint, RightFax, EMC Documentum, iManage WorkSite, OpenText DM, or OpenText eDOCS.

- **Industry-Leading Mail and File System Integration**
  Access global and personal address books (Notes or Exchange) and browse folders right at the copier – no need to go back to your desk to file or route documents. The "Express" mode automates routine e-mail distributions and sent e-mail appears in the user's personal "Sent Items" folder.

- **Strong Security and Seamless Active Directory Integration**
  ShareScan Suite integrates directly with Active Directory and your system user security credentials so you can require users to enter AD credentials to access the system and connected applications. It also can encrypt documents for greater security over public networks.
